
Introduced by Senator Knight

February 21, 2003

An act to add Section 1104.3 to the Military and Veterans Code, relating to veterans, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 838, as introduced, Knight. Veterans' homes.

The Veterans' Homes Bond Act of 2000 requires the proceeds from the sale of the bonds issued under that act to be deposited in a newly established Veterans' Home Fund. That act requires that, upon appropriation by the Legislature, the moneys in that fund be allocated to the Department of Veterans Affairs for the construction and renovation of veterans' homes, and be allocated first to meet state funding requirements for the construction or renovation of those veterans' homes identified by a specified statute.

This bill would appropriate \$150,000 from the Veterans' Home Fund to the department for allocation to the California Veterans Home Project Team.

This bill would declare that it is to take effect immediately as an urgency statute.
